

Mediterráneo Culinary Center

<https://www.mediterraneoculinary.com/>

MCC is located in Valencia (Spain), a maritime city influenced by its rural surroundings, its history and people and most importantly, its marked and well-known gastronomic culture.

Each year, more than 10.000 foreign students choose Valencia as their preferred destination for their studies.

MEDITERRÁNEO CULINARY CENTER

MCC is a **vocational training center**, specialised in **Cooking, Dietetics** and **Tourism** recognised by the Ministry of Education and Culture of the Valencian Community.

Local and international as well as practical and theoretical courses are held in the school all year long.

Educational Offer

- ✓ Main activities: acquisition and training of students in Hospitality, Tourism and Cooking sectors.
- ✓ Range of educational programmes and official qualifications concerning Intermediate and Higher Education Vocational Training in dietetics, hotel management and gastronomy, such as catering and pastry.
- ✓ Master's degrees and postgraduate courses in Tourism and F&B Management in companies.
- ✓ Diplomas, monographs and certificates of professionalism.

Mediterráneo *International Center*

Mediterráneo Culinary Center has been working for many years as **host institution** as part of the European mobility programmes and offers internships in many sectors in Valencia. Our **International Department** is focused on **Erasmus+ projects** and we manage and collaborate in the realisation and the implementation of educational programmes.
